Residential camping involves living in a small community setting for the week. In order to ensure the quality of experience for everyone, we expect all campers to treat each other, the staff, and camp property with respect.

Parents should review the following rules and expectations with their son or daughter prior to arrival at camp.

- Campers are expected to follow the instructions of camp leaders
- Profanity and verbal abuse directed towards others is not permitted
- Smoking is not permitted at any time
- Physical aggression or harassment directed towards others is not tolerated
- Items on the "WHAT NOT TO BRING" list that find their way to camp may be confiscated by the Camp Director and returned to the parent at the end of the session

In the past, we have found the vast majority of campers at Evans Lake have an exciting and rewarding experience. Many return year after year and eventually take part in our Leadership Programs. Unfortunately, on rare occasions, we have had to send campers home early for repeatedly behaving in a manner that was considered a threat to his/her own safety or the safety of others. This includes:

- running away,
- disregarding rules and safety procedures, or
- physical or verbal abuse directed at others at camp.

To avoid the disappointment of a camper returning home early, we ask parents to review the camp rules and list of things "not to bring" with their son or daughter.

**Please DO NOT BRING the following items to Camp:**

- portable music players: MP3's, radios, etc
- cell phones or pagers
- electronic games
- any type of expensive toy, game or book
- hatchets
- knives
- matches
- cigarettes
- junk food
- money

I, the camper, hereby understand and agree to follow camp rules

Office use
------------

The purpose of the Medical Information form is to obtain information that will help us ensure that your child has a safe and pleasant experience. In the past we sometimes have had the problem that parents have not provided the information for fear that their child would not be accepted in the program. That is not the purpose of this form. If your child has some physical or emotional difficulty our staff will be able to deal with it sympathetically and with understanding, if they are aware of it in advance. Please use one form per camper.
