Dear Friends and Family of Evans Lake,

We are happy to announce that the 2009 Open House at Evans Lake is taking place Sunday, June 28th between 11AM – 4PM. We would like to invite you & your families to come join us for a fun-filled day by the lake!

Our Open House will have something for everyone: our summer staff will be coordinating canoeing, swimming, archery, rock-climbing, and guided interpretive walks, while our kitchen staff serves up lunch (by donation) from our grills and BBQ's. Come see where the summer magic happens – the field & forest where we play and learn, the lake where we swim and canoe, the campfire where we sing and tell stories, and the cabins and halls where we have our meals and spend time with each other!

At Evans Lake, we've been lucky to establish strong connections with campers and staff members who return year-after-year to spend time at camp. It's those returning faces who have helped welcome new campers and make our camp a truly special place to visit. We hope that you can join us for our Open House and see why so many people have made Evans Lake a cornerstone of their summers.

On behalf of all the Evans Lake campers and staff, we look forward to seeing you then!
