

CABIN LEADER

Are you inspired by the morning mist rising off the lake, dashing through the forest with campers in tow, and discovering the secret life of a tree? Are you ready to inspire the next generation's curiosity in the outdoors? Do you loooove campfires? Cabin Leaders are the go-to person for campers for support, problem-solving, and fun! Cabin leaders lead camper groups (aged 8-16) through weekly camp activities. They work as part of small teams to support instructors with delivering activities like hikes, camp-wide games, Eco Fun (forest & environmental education) sessions, and thousands of spontaneous events using pool noodles, wit, and creativity. Given that all staff and campers stay onsite at the [Evans Lake Forest Education Centre](#) while camp is in session, the action never stops and, accordingly, applicants should enjoy working in ever-changing and dynamic work environments. High energy, patience, a can-do attitude, and a passion for working with youth are a must.
