A SNAPSHOT OF THE PROGRAM:

WELCOME TO EVANS LAKE!

The fun of Summer Camp starts from the beginning! After meeting the other campers in your pod and joining an orientation to camp, we gear up to play an awesome camp-wide game, and kick off our first campfire! We're big believers that making friends—with the campers in your pod, and the staff—is one of the best parts of camp, and is something that will make Evans Lake feel like your second home.

ECO-FUN

Evans Lake's program features our Eco-Fun courses where we explore our forests to discover cool things about the trees, lake & creeks, animals & insects, and rock & soils. In our pod groups, we unlock some of the forest's secrets and consider how forests are connected with our everyday lives, in and outside of cities. This is a hands-on, "whoa"-inspiring, discovery time!

REC. TIME

Outdoor Rec. Time moves your pod through Evans Lake's activity areas. Whether it's a swim in the lake, hopping on a stand-up paddle-board, braiding a bracelet, shooting some arrows at our archery range, or trying your hand at wilderness survival skills, we'll be taking on new challenges! Our staff are here to introduce you to your new favourite hobby.

HIKES

Evans Lake lays amidst stunning coastal forest and is part of a chain of lakes centered between the Garibaldi and Tantalus Mountain ranges. On hike days, pod groups can choose a hike that suits their abilities and enthusiasm for hiking. Whether it's to Pink Falls, the Skyline lookout, a secret vista off the Laura Secord trail, Copperbush Pond, or Levette Lake, hike teams will explore the forests!

COMMUNICABLE DISEASES PREVENTION AT CAMP

Ensuring the well-being of our campers and staff is our foremost concern at Evans Lake. Our Communicable Diseases Prevention Plan has been created to align with the guidelines outlined by the BCCDC and BC Camps Association. To view, kindly check out [our website](#). ***Should your child become unwell in the days preceding the camp, we urge you to contact our office promptly.***

CAMP RULES & EXPECTATIONS

The camp experience involves living in a small community setting for the week. In order to ensure the quality of experience for everyone, we expect all campers to treat each other, the staff, and camp property with respect. Families should review the following rules and expectations with their child prior to arrival at camp:

- The Evans Lake Forest Education Society is proud to uphold human rights, we value the inclusion of all members of our community, and we strive to create a fun environment for everyone to explore forests.
- Campers are expected to follow the instructions of camp leaders.
- Camp is a positive and inclusive space. As such, verbal abuse, physical aggression, harassment and bullying are not permitted.
- Smoking, vaping, drinking alcohol or consuming drugs is not permitted at any time.
- Items on the “Please do not bring” list that find their way to camp may be held by camp staff until the end of camp.

In the past, we have found the vast majority of campers at Evans Lake have an exciting and rewarding experience. Many return year after year and eventually take part in our Leadership Program or join our staff team! Unfortunately, on rare occasions, we have had to send campers home early for behaving in a manner that was considered a threat to their own safety or the safety of others, or inconsistent with the behaviour expectations detailed here and during the Orientation on the first day of camp. To avoid the disappointment of a camper returning home early, we ask families to review the camp rules with their child. In the event that a child must depart early from the program for behavioural or safety concerns, families are responsible for picking up their child.
