

## CABIN LEADER

Are you inspired by towering trees, early-morning paddles, discovering networks of underground fungi, and sparking the next generation's curiosity in the outdoors? Cabin Leaders are the go-to person for campers for support, problem-solving, and fun! Cabin leaders lead camper groups (aged 8-16) through weekly camp activities. They work as part of small teams to support instructors with delivering activities like hikes, camp-wide games, eco-fun (forest and environmental education) sessions, and thousands of spontaneous events using pool noodles, wit, and creativity. Given that all staff and campers stay onsite at the Evans Lake Forest Education Centre while camp is in session, the action never stops. Accordingly, applicants should enjoy working in ever-changing and dynamic work environments. High energy, patience, a can-do attitude, and a passion for working with youth are a must.
