

FIRST AID ATTENDANT

Are you inspired by towering trees, early-morning paddles, discovering networks of underground fungi, and sparking the next generation's curiosity in the outdoors? Do you love theme lunches, high fives, and hands-on outdoor experiences, all while ensuring the health and safety of campers? First Aid attendants are the crucial point of contact for all things first aid and health and wellness, as well as assisting and leading eco-educational programs. Given that all staff stay onsite at the Evans Lake Forest Education Center while programs are in session, the action never stops, and applicants should enjoy working in a dynamic work environment. Strong organizational and interpersonal skills are a must, as well as a yearning for an endless summer!
